

DAREBIN COUNCIL BUSINESS RECYCLING SERVICE

TERMS & CONDITIONS OF SERVICE

1. **We require you to use your bin correctly.** Unless otherwise notified by Council, only the recyclable material listed on this document will be collected. If your bin contains non-recyclable material it may not be emptied. Subsequent contamination may lead to your service being discontinued. Audits may be conducted of your bin.
2. **Materials must be inside your bin.** Your bin lid must be closed for collection and any material left beside, near, or on top of the bin will not be collected. Fines may apply for material left outside the bin. Over-filled bins or bins weighing more than 30kg will not be collected.
3. **The bin must be placed in an accessible location for collection.** Your bin should be placed on the nature strip where possible, or footpath, but must not block pedestrians. It must be 1/2 metre from any obstructions with bin lid opening facing the road.
4. **The bin must be out by 5am on collection day and returned to the property on the same day.** Your bin must be securely stored on your property at all other times. A fine may be issued for bins left out on the street. If your bin is unable to be securely stored, the service may not be provided.
5. **The bin remains the property of Council at all times.** The bin is numbered and registered to your business. You are required to keep the bin clean and tidy. If it is damaged, destroyed, lost or stolen, contact Council immediately on 8470 8888. Bins repeatedly damaged, destroyed, lost or stolen may not be replaced or may incur a replacement fee.
6. **Termination or Variation of Service.** A minimum of four weeks notice is required for cancellation or relocation of this service. Contact Council on 8470 8888 for cancellation or other enquiries. Council reserves the right to terminate the service, with no refund payable, if you do not meet any of the Conditions of Service.
